TRUST & ESTATES**GEORGIA** ATLANTA**ERIK J. BROEL**

Erik Broel founded Broel Law Group, LLC in 2009. The firm was founded as a result of a personal experience Erik had in his own family when he was in college. When one of his uncles died, Erik's aunt was left with what appeared to be a simple estate to settle. Unfortunately, things did not work out that well and all of the property wound up at an estate sale. Erik was there as his aunt was being pushed around in a wheel chair while her property was being sold. Although Erik managed to help save her home, the experience left an indelible mark on him.

Because of this experience, Erik has dedicated himself to helping those who have lost a loved one. The firm's mission is to make the process of settling an estate as positive as possible. As a result, our attorneys work to make probate peaceful and efficient when possible, and negotiate disputes and litigate estate and trust matters aggressively when necessary.

We focus exclusively on:

- Estate Administration
- Estate Litigation
- Trust Administration
- Trust Litigation
