**Ginger L. Murray**

Ginger started as a solo practitioner nearly 20 years ago. Earning the trust of judges lead to appointments as guardian ad litem and then as Family Court Commissioner in two counties. She presided over divorce and paternity cases, deciding custody, placement, and child support as well as abuse and harassment restraining order/injunction hearings. In 2004 she moved to Madison, starting at a mid-size firm working her way to shareholder and then president. While training for the Ironman, she realized she wanted to work at a place that focused exclusively on family law matters, which is what she did next. "With the support of our team of lawyers and staff, Your Family Law Center offers full service representation to parents, children, and families going through transitions in their family structure."

"Kids come first. We strive to reduce the trauma for children in families in crisis." The lawyers at Your Family Law Center provide competent and compassionate representation for clients with family law matters including: adoption, child support, custody, divorce, grandparent’s rights, guardianship, maintenance, paternity, placement, restraining orders, and surrogacy. "We are proud to achieve settlement, when appropriate, and prepared to litigate, when needed."

**Renée K. Gucciardo**

The Gucciardo Law Firm provides families and couples legal representation commensurate with a large firm but with the accessibility and responsiveness of a small firm. Renée K. Gucciardo has always been passionate about families and their legal needs, so 14 years ago she founded The Gucciardo Law Firm to guide families through the emotional and legal difficulties of divorce. "We understand how important trust is when a client places the lives of themselves and their families in our hands," Gucciardo says.

Included on this year’s list of Super Lawyers, Renée understands that open and honest communication is key to a successful attorney-client relationship. "We ensure that we are compassionate about the overwhelming stress that clients may experience during a divorce," she says.

The Gucciardo Law Firm provides trial and appellate court representation in family law, throughout Oakland, Macomb and Wayne counties.
