

The following section features attorneys who have demonstrated leadership qualities and have achieved the AV Preeminent rating by Martindale-Hubbell®.

Martindale-Hubbell®, the company that has long set the standard for lawyer ratings, has supplied ALM with a list of Top Rated Lawyers who have achieved an AV® Preeminent® Peer Review Rating, the highest rating in legal ability and ethical standards. To create this section, Martindale-Hubbell® tapped its comprehensive database of Martindale-Hubbell® Peer Review Ratings™ to identify lawyers who have been rated by their peers to be AV® Preeminent™.

Martindale Hubbell Peer Review Ratings are driven by the confidential opinions of lawyers and members of the judiciary who receive invitations from Martindale-Hubbell®, via an online survey or by mail, to provide reviews of lawyers of whom they have professional knowledge.

A complete directory of all AV® Preeminent™ lawyers can be found online at Lawyers.com® and Martindale.com, in the Martindale-Hubbell® Law Directory in print and CD-ROM formats, and online through the LexisNexis® services and at lexis.com. Attorneys shown do not constitute the full list of "Top Rated Lawyers"

HAWAII HONOLULU

CHAR HAMILTON YOSHIDA & SHIMOMOTO

Char Hamilton Yoshida & Shimomoto is the leading provider of captive insurance legal services in Hawai'i. The firm's experienced attorneys have built a global network of clients and colleagues that ensure each client receives superior legal representation and personalized service. Our attorneys represent clients in a vast array of industries and core businesses, many of whom are Fortune and Global 500 companies.

The firm's captive insurance practice handles a wide variety of related matters, including captive formations (i.e., "pure", risk retention groups, and other group captives), conversions, mergers, liquidations, redemptions, coverage matters, policy drafting, and reinsurance trusts. We also assist clients with diverse corporate transactions, corporate governance and best practice issues, and other general insurance regulatory matters to ensure that your captive insurance business complies with applicable law and regulations. To serve the firm's global captive insurance clients more effectively, the firm has Japanese language capabilities.

Gerald C. Yoshida and Paul B. Shimomoto specialize in the formation and representation of captive insurance companies and risk retention groups and other insurance regulatory matters in the State of Hawaii. Both maintain "AV-Preeminent" ratings from Martindale Hubbell.

Over the years, Hawai'i has become the premier captive domicile of the Pacific, measured in terms of the number of captives formed and managed, the supporting infrastructure available and premium underwritten. Many of the world's largest and reputable companies have formed and operate their captive insurance companies in Hawai'i. Hawai'i is served by direct flights from 23 major US and 27 international destinations, making it a strategic and easily accessible location in which to domicile your captive insurance company.
