

Looking for a great argument?

You've come to the right place.

When you're bringing a case to an appellate court, experience counts. Many of our appellate lawyers are former appellate law clerks who bring the experience needed to excel at developing and delivering the strongest possible arguments. We've handled more than a thousand appeals in state and federal courts across the country.

To connect with an appellate lawyer with the experience you need, contact Evan Krinick, our managing partner, at 516.357.3000 or evan.krinick@rivkin.com.

Congratulations to Evan Krinick and our appellate attorneys who are recognized among the Top Lawyers!
