MICHAEL E. QUIAT

DISABILITY, LIFE, LTC AND ERISA LTD INSURANCE CLAIMS

My firm represents individuals against insurance carriers in individual disability, ERISA, LTD, long term care, life and other complex insurance claims.

For more than 35 years we have focused on getting policyholders what insurance companies owe them. We understand the hardships individuals face when forced to fight powerful insurance companies at a time when they are least able to do so. We have the knowledge and experience to successfully guide clients through this highly adversarial process, so they get the insurance benefits to which they are entitled. Our mission is to make sure that insurance companies timely pay the benefits which they owe to our clients. Protecting a family's financial lifeline is too important to "go it alone."

We practice in New York and New Jersey, but represent clients with local counsel nationwide.
