

The following section features attorneys who have demonstrated leadership qualities and have achieved the AV Preeminent rating by Martindale-Hubbell®.

Martindale-Hubbell®, the company that has long set the standard for lawyer ratings, has supplied ALM with a list of Top Rated Lawyers who have achieved an AV® Preeminent® Peer Review Rating, the highest rating in legal ability and ethical standards. To create this section, Martindale-Hubbell® tapped its comprehensive database of Martindale-Hubbell® Peer Review Ratings™ to identify lawyers who have been rated by their peers to be AV® Preeminent™.

Martindale Hubbell Peer Review Ratings are driven by the confidential opinions of lawyers and members of the judiciary who receive invitations from Martindale-Hubbell®, via an online survey or by mail, to provide reviews of lawyers of whom they have professional knowledge.

A complete directory of all AV® Preeminent™ lawyers can be found online at Lawyers.com® and Martindale.com, in the Martindale-Hubbell® Law Directory in print and CD-ROM formats, and online through the LexisNexis® services and at lexis.com. MARC C. SAPERSTEIN

Marc C. Saperstein, one of the founding members of the prestigious personal injury law firm *Davis, Saperstein & Salomon P.C.*, earned his B.A. in Economics from Rutgers University and his J.D. from the Emory University School of Law. Certified by the Supreme Court of New Jersey as a Civil Trial Attorney, Marc has handled some of America's most complex legal cases, including products liability actions, tobacco class actions, construction accidents, and trucking & school bus accidents, where he has obtained many seven figure settlements and verdicts on behalf of his clients.

If you ask any New Jersey or New York trial lawyer about Marc, they will tell you they know him and respect him as a fierce and tough litigator. Not only has he served as a past president of the New Jersey Association for Justice, but he has also served as the Co-Founder and Co-Chair of the Meadowlands law seminars, where he lectures on various legal topics.

Marc treats each of his clients with respect and compassion. "My legal style is one of professionalism and honesty," Marc says. "I always thoroughly prepare for my cases to earn the respect of the judge and jury." Some of his most recent notable victories include \$20 million for a construction worker injured on the job, \$9 million for a young man who tripped on a subway platform and was struck by a train, and other major recoveries from trucking and products liability cases.

"The most rewarding part of what I do," says Marc, "comes at the end of a case when a client thanks me for the work done on their behalf. I am then reminded that, as a trial lawyer, it is our responsibility to retain our faith in the civil justice system, and we must ensure that hope endures among our members and those we have pledged to represent."

Nearly 40 years ago, Marc founded *Davis, Saperstein & Salomon P.C.* with his 2 childhood friends, Sam Davis and Garry Salomon. Since then, the firm has grown to become a nationally recognized litigation firm. With 28 highly qualified attorneys, 16 of which are certified by the Supreme Court of New Jersey as Civil Trial Attorneys, the firm has helped over 30,000 individuals and families, obtaining more than \$500 million in verdicts and settlements.

MICHAEL E. QUIAT

DISABILITY, LIFE, LTC AND ERISA LTD INSURANCE CLAIMS

My firm represents individuals against insurance carriers in individual disability, ERISA, LTD, long term care, life and other complex insurance claims.

For more than 35 years we have focused on getting policyholders what insurance companies owe them. We understand the hardships individuals face when forced to fight powerful insurance companies at a time when they are least able to do so. We have the knowledge and experience to successfully guide clients through this highly adversarial process, so they get the insurance benefits to which they are entitled. Our mission is to make sure that insurance companies timely pay the benefits which they owe to our clients. Protecting a family's financial lifeline is too important to "go it alone."

We practice in New York and New Jersey, but represent clients with local counsel nationwide.
