

The following section features attorneys who have demonstrated leadership qualities and have achieved the AV Preeminent rating by Martindale-Hubbell®.

Martindale-Hubbell®, the company that has long set the standard for lawyer ratings, has supplied ALM with a list of Top Rated Lawyers who have achieved an AV® Preeminent® Peer Review Rating, the highest rating in legal ability and ethical standards. To create this section, Martindale-Hubbell® tapped its comprehensive database of Martindale-Hubbell® Peer Review Ratings™ to identify lawyers who have been rated by their peers to be AV® Preeminent™.

Martindale Hubbell Peer Review Ratings are driven by the confidential opinions of lawyers and members of the judiciary who receive invitations from Martindale-Hubbell®, via an online survey or by mail, to provide reviews of lawyers of whom they have professional knowledge.

A complete directory of all AV® Preeminent™ lawyers can be found online at Lawyers.com® and Martindale.com, in the Martindale-Hubbell® Law Directory in print and CD-ROM formats, and online through the LexisNexis® services and at lexis.com.
