

## INTELLECTUAL PROPERTY LAW

For over a quarter century, Saiber LLC has stood at the forefront of intellectual property law in New Jersey, aggressively protecting its client's most valuable asset — its ideas.

**As a known leader in the District of New Jersey, Saiber has secured its reputation as the firm of choice for leading I.P. firms and pharmaceutical clients in Hatch-Waxman and ANDA patent and antitrust litigations.**

Saiber has a long history of representing corporations in safeguarding their intellectual assets, including creation, use, registration, marketing and licensing, as well as significant experience in all types of intellectual property litigation, from actions under the Lanham Act and Patent Act to matters involving trademarks, unfair competition, trade secrets, dilution, copyrights, Internet and e-commerce, breach of confidentiality agreements, and related antitrust and business tort claims.

Our attorneys have long served as New Jersey co-counsel alongside leading patent firms in patent litigations. In doing so, we have earned a reputation for being one of the most valued and respected firms in Hatch-Waxman and ANDA pharmaceutical cases in New Jersey. Our deep knowledge of and experience with the New Jersey federal bench allows us to provide the veteran insights needed to succeed in such high-stakes litigation.

We are led by practice chair **Arnie Calmann**, a co-drafter of the original and amended District of New Jersey Local Patent Rules, continuing member of the District's Patent Rules Committee, past co-chair of the New Jersey Inn of Court devoted to Intellectual Property and Federal Practice, leading counsel in numerous I.P. litigations and co-counsel at the inception of the explosion of Hatch-Waxman matters in the District; **Jeffrey Soos**, present co-chair of the same New Jersey Inn of Court with more than 20 years of experience as counsel in I.P. matters and co-counsel in Hatch-Waxman matters; and **Jakob Halpern**, Master in the same New Jersey Inn of Court, author of I.P. articles and commentary on patent and other I.P. matters with over 15 years of experience in I.P. and Hatch-Waxman matters. Also with 15 years each of experience are Counsel **Katherine Escanlar**, and **Geri Albin**, along with substantial support from associates in our practice.

**TEAM SAIBER. TEAM WITH US.**

## TEXAS SOUTHLAKE

## ROBERT J. SCOTT

Robert Scott represents mid-market and large enterprise companies in software license transactions and disputes with major software publishers such as IBM, Microsoft, Oracle and SAP. He has defended over 250 software audit matters initiated by software piracy trade groups such as the BSA and SIIA. He is counsel to many of the world's largest corporations on information technology matters including software licensing and disputes, risk management, data privacy, and outsourcing.

Robert graduated summa cum laude from Austin College in Sherman, Texas with a B.A. in Economics. He earned his law degree from Hofstra University School of Law in New York. Robert is a member of the State Bar of Texas, the Dallas Bar Association's Computer Law Section, the Data Privacy & Security Committee of the State Bar of Texas, and serves as a member of the MSP Alliance Advisory Board.

Robert has a Martindale Hubbell AV Preeminent peer rating and his firm was recently voted Technology Law Firm of the Year USA by Finance Monthly for the fifth consecutive year.
