Tefteller Law PLLC is an East Texas trial firm representing Texans across the state who have been severely injured or killed in commercial vehicle accidents, oilfield accidents, auto accidents, or through dangerous conditions. In recent years, the firm has demonstrated an impressive level of expertise in brain injury cases.

As explained by Todd Tefteller, the founder of the firm, "My granddaddy taught me that 'a man should never forget where he came from, no matter where he ends up.' This philosophy has allowed our firm to achieve an impressive level of success. Staying true to our East Texas roots and being plugged into our local communities allows us to relate better with jurors anywhere and speak with them as people, friends and neighbors—not talk down to them from some legal ivory tower." The results have been seen in Tefteller Law's ability to go across Texas and obtain substantial settlements and verdicts in tough cases when insurance companies or big corporations refuse to do the right thing.

Tefteller states that "the firm's 'dig in and fight' mentality illustrates why some of our lawyers have been featured in numerous national and international publications, radio and television programs." Tefteller Law attorneys have appeared, provided commentary, or been featured on Fox News, CNBC, ABC's World News Tonight, NBC's Nightly News, and CBS' Nightly News, along with *The New York Times*, *Time Magazine*, *The Wall Street Journal*, *Washington Post*, *Los Angeles Times*, and National Public Radio, among others.
